Dear Parent/Carer,

I am absolutely delighted to introduce myself as I take post as Head Teacher at West Calder High School. I am excited at the prospect of working with pupils, parents/carers, colleagues and the wider community to ensure our young people can achieve their full potential.

It is an exciting time in the school's history as we prepare to move to our new state of the art building. To maximise the potential of our exciting new school we need excellence in all aspects of school life. Key to this will be working tirelessly to create a stimulating environment and to consistently deliver quality learning that will equip our young people with the knowledge, skills and attributes required to achieve success and to build fulfilling lives beyond school.

Together we can make West Calder High School an even better place to learn and succeed; a place where young people can be ambitious and realise their full potential.

I hope that this is the start to a positive, meaningful and collaborative relationship, and I very much look forward to meeting you over the coming weeks and months.

Yours Faithfully,

Julie Fisher
Head Teacher
