**Spotlight on Rights**

Please consider how the simple action that goes with this right would help respect your own or other people's rights

**UN CRC Article**

**Simple Action**

**Article 28** (right to education)

Every child has the right to an education. Primary education must be free. Secondary education must be available to every child. Discipline in schools must respect children's dignity. Richer countries must help poorer countries achieve this.

Ensure all your homework is done and handed in on this this week.

**Car Park:** Parents are reminded that the dropping off, and picking up of children from the school carpark, or at the front door of the school, is prohibited at the start **and** end of the school day. Exceptions are made if pupils are carrying heavy musical instruments or have a medical condition. If there is a medical reason, please contact Pupil Support to discuss.

**Pupil Safety:** Pupils are reminded that they **must not** walk through the carpark at any time during the day. They must use the footpath from the school building down to the gate for buses or to be collected by car.

**HPV Forms:** Pupils who were issued with an HPV form are asked to return them to the Office by Monday 12 March.

**Careers Hive Trip:** Refunds will be issued to parents via pupils for those who were not able to go on the Careers Hive Trip due to the bad weather.

**Study Guides:** The House Captains are organising a donation point in the library for seniors or staff to hand in study guides, past paper books etc that they are no longer using. These books will be given to young people who do not have their own copies and perhaps don't have the means to purchase them. To support this initiative, Mrs Moore would be very grateful if S4-S6 tutors could promote this with their classes, asking pupils to pass their old books to Mrs Vennall in the library. If any of your own children have study guides they are no longer using we'd be very grateful of these too. Thanks in advance for your support of this initiative!

**How to Study:** Our house captains are kindly offering How to Study advice sessions for our S4, S5 & S6 pupils. In each of the sessions, the house captains will share practical ideas as well as study techniques that have worked for them in the past both at N5 and Higher. The sessions will take place in Mrs Bamber's English room from 1.40pm - 2.00pm on Tuesday 13, Wednesday 14, Tuesday 20 and Wednesday 21 March. The content of each session will be different, so pupils can attend all four. If pupils have any questions, please direct them to Mrs Moore.

**Water Sports Trip :** There will be a very important meeting on Tuesday 13 March in Room 52 at 1.30pm. You must attend. If you cannot attend, you should see Mr Payne before then. Anyone that forgets may jeopardise the whole groups travel arrangements and passport application. See you there!

**Sponsored Sports Night:** It's that time of year again! This years' Sponsored Sports Night will take place on Friday the 13 April. This is an annual tradition at West Calder HS and all students from S1-6 are invited along to take part in an evening of sporting activities of your choice (for the last time in this building!). This event will raise money for state of the art new equipment for our PE department in our new school and ensure that we offer you all as many different activities as we possibly can once we make the move. This is a great chance to socialise and compete within the school building without the stresses of class work, and the chance to help make a difference to your school. Please see the PE department for your sponsor sheets and EE2 forms!

**Free Golf Lessons:** Active Schools in partnership with Harburn Golf Club are offering **free** golf lessons on Friday afternoons starting 13 April. Transport will be provided to and from school along with all equipment needed. **Places are limited. To book your place please see Mr Lord in the PE staff base.**

**Booze You Looze:** Booze You Loose for All S1-S6 pupils has started again. Every Friday at East Calder Xcite Leisure from 1.30pm - 4.30pm

**Use of Classrooms:** English Rooms are totally out of bounds to pupils before school and at breaks and lunch. Use of any rooms should be with the express permission of the teacher.

**Fire Exit outside Connect Hub:** Can tutors please stress to pupils that they should not be using the Fire Exit outside the Connect Hub to exit the building at any time
